

SHADOWS IN YOUR MIND

By Richard Paul

Moonlight struck the clearing in the woods,
___*___ ___*___ ___*___ *_ ___*___
Warm inside the cabin that you built,
___*___ ___*___ ___*___ ___*___ ___*___
We found our peace and life was good
___*___ ___*___ ___*___ ___*___
But they found a demoness, and guilt.
___*___ ___*___ ___*___ ___*___
And they burned all of it
___*___ ___*___
And chained you in their pit
___*___ ___*___ ___*___
But we need not fear it,
___*___ ___*___ ___*___
For we are still together.
___*___ ___*___ ___*___

CHORUS

Though the torment strikes you blind,
___*___ ___*___ ___*___ ___*___
Reach within, my hands you'll find,
___*___ ___*___ ___*___ ___*___
To hold the soul entwined with mine,
___*___ ___*___ ___*___ ___*___
Then through the worst of all we'll dance
___*___ ___*___ ___*___ ___*___
In the shadows of your mind.
___*___ ___*___ ___*___

CHORUS END

They are not done stealing from you,
___*___ ___*___ ___*___ ___*___
Your nose and your tongue and your eyes,
___*___ ___*___ ___*___ ___*___
They'll take your life as soon as they're through,
___*___ ___*___ ___*___ ___*___
But they cannot reach your soul. That's mine!
___*___ ___*___ ___*___ ___*___
So ignore every pain
___*___ ___*___
And wait patient in chains
___*___ ___*___
And smile as you're slain
___*___ ___*___
For then we'll leave together.
___*___ ___*___ ___*___

(CHORUS)

Hand in fleshless hand we can be gone
___*___ ___*___ ___*___ ___*___ ___*___
And leave all this foolishness behind,
___*___ ___*___ ___*___
Back to the woods where the full moon shone
___*___ ___*___ ___*___ ___*___ ___*___
And no one to stop us this time.
___*___ ___*___ ___*___
Till then you must be strong
___*___ ___*___ ___*___
And listen for my songs,
___*___ ___*___ ___*___
For now it won't be long
___*___ ___*___ ___*___
Till we go free together.
___*___ ___*___ ___*___

(CHORUS)
